What do Americans think of when Canada is mentioned? The Mounties in red coats who always get their man? Vast areas of wilderness and timberland? The locale of Expo 67 and other places to visit? If the limit of our concern about Canada is such thoughts as these, our knowledge of our neighbor to the North is typical but hardly forgivable.

Bouchard In U.S. Air Force Academy

U. S. AIR FORCE ACADEMY, Colo.—Daniel Bouchard, son of Mr. and Mrs. Louis F. Bouchard of 42 Mountainview St., Agawam, was among the more than 1,000 freshmen cadets who have entered the U. S. Air Force Academy class of 1971.

Cadet Bouchard's acceptance into the cadet wing marked his successful completion of cadet basic training, which began in June.

About half of the basic training was conducted in a forested area on the academy site where the cadets lived in a tent camp simulating an American front line air base in Vietnam. There they learned to use infantry weapons and defend the base against guerrilla attack. Other training included such subjects as flight orientation, survival, military justice and physical education.

The cadet now begins a four-

year course of study leading to a regular Air Force commission and a Bachelor of Science degree with an academic major in one of 27 fields of interest provided in the curriculum.

Cadet Bouchard is a 1967 graduate of Cathedral High School, Springfield, Mass., where he was a member of the National Honor Society.

Nickel Ferry Ride

New York—The nickel ferry ride—long one of the best bargains in the city—is in danger of being washed away by red ink.

The five-cent fare for the half-hour ride on the Staten Island Ferry, with its dramatic view of Manhattan's skyline, has been a fixture since the turn of the century.

City officials have announced that vehicle rates on the ferry are going up 50 percent and off-hour service being decreased to offset increases in the service's annual deficit.

They further warned that if these economies do not prove suf-

ficient, the passenger fare may have to be increased, too.

MEMBERSHIP

How do you stand in member-

ship work? Have you done all in your power to contact eligible men and women in your community? Have YOU told them of the vital parts the Veterans of Foreign Wars and its Auxiliary members have in the life of the community?

"Only through strength of membership" said Auxiliary Membership Chairman Emily Dias, "can our Post and Auxiliary carry out effectively its responsibility to the community, veterans and our children." We must be strong if we are to be of help to others. MEMBERSHIP strength, we must have if we are to provide help in the fund raising activities in our community such as Cancer, Heart, etc.

Have you taken the time to tell a prospective member or one who needs her interest re-aroused what we are doing in bringing scholarship opportunities to some Agawam Child? Have you told them of the volunteer service of members in the Veteran Administration Hospital? The Ward parties and picnics that the patients enjoy so much and look forward to? There are many ways in which you can tell the people of Agawam that we need them as members.

Every phase of our program is for the betterment of the community in which we live BUT without strength in numbers, the V.F.W. and its Auxiliary cannot carry out its great pro-

grams. Won't you please join us today? Contact either Emily Dias, Auxiliary membership chairman or Treasurer Ann D. Bissonnette of the Auxiliary or send your money to Bib Bissonnette, Post quartermaster. We need help — WE NEED YOU: Mr. Bissonnette says "More members means greater achievement."

Five hundred members is our goal.

We know that we can do it. If each and every one of us, Just gives some effort to it.

The job is yours and mine to do,

Let's quickly get it done.

Just sign up all those eligible males and gals,

We need them everyone.

WE'RE MAKING HISTORY ... LET'S WRITE IT. ...

HISTORY!! What is it? To me it is a systematic record of past events, both helpful and of interest to those who will follow

The Agawam Independent—Thursday, September 21, 1967 Page 5

in our footsteps.

We are making history in our own community. (The Memorial Day Parades and the open house) in our Post and Auxiliary (the new Flag Pole,—the fund raising projects for the hospital work and the new pavilion to be) and what memory is to you today, will become the history of tomorrow. That's why in the previous issues we asked for articles and pictures to be entered in the scrap book and history. A history should be a record of what we are doing, why we are doing it and what is being accomplished from year to year. These articles must be recorded to guide and inspire continued interest in the basic principles of our organization.

Let's look at the word "HISTORY." Take the first two letters away and you have "HI." Write the Hi-lights of this year —and then you have the word story ... a history should be a

factual running story, written interestingly in prose, catching the human elements as well as the recorded facts of the activities during the year, to guide the policies and footsteps of those who follow.

HELP WRITE OUR HISTORY—Join NOW — Send pictures to Treasurer or Quartermaster. Thank you.

SPORTSMEN'S CORNER

By BILL CHIBA

In last week's column there was an omission concerning the winners at the U.S.B.A. National Tournament. Lillian Provost of Feeding Hills and a staunch member of the Agawam Bowmen Club came in second in the women's 125 class. Sorry Lil, but these things do happen every now and then.

The Sandisfield Rod & Gun Club will meet the 21st of this month at the Agawam Sportsmen Club Hall. The meeting will get underway at 7:30 p.m. sharp. The agenda calls for plans being made concerning club activities for the 1967-68 year and committee appointments will be made.

PLENTY OF GROUSE

Saturday morning Larry Fountain and I flew to Post Mills, Vt., in Larry's four seat Cessna. It was quite a thrill for this writer

and a new perspective of the area we hunt in West Fairlee was gained.

We stopped at Moe and Margaret Eaton's farm in West Fairlee and found the family in good health. Plenty of deer browsing the meadows. Apples are in abundance throughout the area and the nut trees are bearing fruit moderately to heavy in certain sections. The grouse are being seen on the dirt roads regularly. Large broods of young are common. This is a good year for the bird hunter.

Sept. 30th the season will open for grouse in Vermont. So you had better start oiling the old shotgun and convincing the wife that you will do the final chores around the house during the week. The weekends are for roaming the woodlands this time of the year and not for following the lawn mower or pushing the paint brush across the siding... Be firm! Take the wife with you.

MOORE AND DONOVAN TOP ALL

The Agawam Bowmen Club, Inc. held its annual Club Championship Tournament Saturday. Shooting took place throughout the entire day, with the final results pin pointing Jim Moore as the Men's Club Champion. Jim shot a fabulous 460. Louise Donovan outshot her rivals for the coveted women's title and beat her closest competitor, Arlene Sidello, by 41 points. Louise's final score was an even 300. Other winners in their respec-

tive classes are: Men 325, Dick Leno; 250 class, Bob Verge; 175 class, Chris Randall, and 100 class, Frank Maello. Women's Class 275, Arlene Sidello; 175 class, Bertha Sidello; 125 class, Edythe Chiba; 75 class Penny Maello, and novice class, Vivian Leduc. Intermediate Boy Champion is Jay Trehey; Junior Boy Champion, Ray Carestia, Jr.; Intermediate Girl Champion is Nancy Theroux. David Hopkins took the intermediate boy's 175 class.

HUNTING GUIDE AVAILABLE

Connecticut hunters and non-residents with a yen to get off the beaten path and into some good, lightly hunted covers can have a guide to assist them this fall. A publication of the Conn. Board of Fisheries and Game titled "A Hunting Guide to Game Management Areas" located and describes the type of hunting to be found on 39 state-owned wildlife areas. Most of these areas are intensively managed for game.

In announcing the release of the pamphlet last May, Director Theodore B. Bampton observed, "Connecticut hunters have been notably reluctant to utilize these areas, most of which are located within state forests. We feel that the main reason for this is that the bulk of our sportsmen do not realize that the areas exist.

"The purpose of this publication is to familiarize the hunting public with these sites. Quite frankly, these resources should be used. Hunting pressure on easily-reached pheasant-shooting areas is reaching the breaking point. Hunting in Conn. is far from extinction, however. Our game management areas offer one of the best solutions to relieving the pressure caused by the demand for this form of recreation."

The Massachusetts Bare Bow Archery Assn. will hold its rained-out annual Championship Tournament, Sunday, Sept. 24 at the Pattaquatic Bowmen Range in Ware, Mass. The shooting will start at 8 a.m. and continue to 5 p.m. Trophies will be awarded in all classes.

'Y' Flag Football

Sign-ups Still Open

Second week of sign-ups for Flag Football are still open and will be held this Saturday Sept. 16th at the Junior High Field in back of the Junior High School.

Walter McCarthy will be the supervisor for this activity and will have eight high school boys volunteer coaches. Flag football is open to boys in grades 5, 6, 7, and 8 who are basic members of the Agawam YMCA. Basic membership may be taken out at the YMCA at 108 Perry Lane.

co and processing of sap into maple syrup and then into sugar.

A special feature of the day's activities will be a gigantic block dance on Storowton Green, starring Buck Rogers' Generation, an up and coming recording group. The music and dancing will go on from 8 to 11 p.m. Dick Booth, well-known disc jockey from WHYN, Springfield, will emcee the show.

Members of the Rogers' group include, besides Buck, his wife Beverly, Rod and Cindy Trembly, Carl Larson and Bill Wanet. Instruments employed by the group include organ, drums, base, rhythm guitar, lead guitar and saxophone.

The second day of the Eastern States Horse Show, one of the top three in the country, also is on the Coliseum agenda. The morning session is open free to the public, starting at 9 a.m. The afternoon session begins at 1 p.m., and includes a surprise feature, Mr. Wetback, and Stallions in Black and White.

The RCA Championship Rodeo starring Hank Williams, Jr., and the Cheatin' Hearts takes over the Coliseum spotlight at 7:30 p.m.

Women's interest will center on a Sears Roebuck Storowton Style Show at 1 p.m. Other Storowton "goodies" include Storowton dancers at 5 p.m., and a hymn sing at 5:30.

Andover Institute

Opens Boston School

Andover Institute of Business has announced the opening of a Boston campus, located at 660 Beacon St., in the heart of Kenmore Square.

The school occupies the entire fifth floor of the Citgo Building. Facilities include 12 classrooms, IBM and secretarial laboratories, a student lounge and administration offices.

The new downtown location is the seventh "link" in Andover Institute's "chain" of schools in Andover, Lynn, Brockton, Springfield, Worcester and Portland, Maine.

This fall, only one and two-year IBM Data Processing programs will be offered, explained AIB President, Charles Liponis. Freshmen enrolled in these courses at other AIB schools will be allowed to transfer to Boston if they desire. He added that next year, freshmen and seniors registered in Secretarial Sciences and Business Administration programs may transfer.

Applications and inquiries are now being accepted for day and evening classes scheduled to begin in October. Free school catalogs describing AIB's full curriculum are available upon request by writing to the school at 145 State St., Springfield, Mass. or calling 781-2141.

PROMENADERS

SQUARE DANCE

Beryl & Doug Shaylor

ATTENTION MEN: This Friday night at the Robinson Park School the Agawam Promenaders will be auctioning off—GIRLS!! As part of the Promenaders Box-Lunch Social, the men will actually be bidding on lunches packed by the girls. The girls go along with the lunches and will eat supper and dance the first dance with the man purchasing their lunch. Local professional auctioneer, Roland Ruelle, will conduct the auction. All members are urged to be there promptly at 6:30 p.m. so that the bidding can start immediately.

Last Friday night eight couples from the Promenaders tripped across the river to the West Springfield Square Dance Club where the Promenaders renewed acquaintances with an old friend, Caller Dick Mastroianni, and his effervescent wife, Winnie. As a result of this visit, the Promenaders have another bright new banner to display on their banner tree.

For any newcomers interested in learning how to square dance western style, a Free Fun Night will be held Monday evening, Oct. 2nd at the Robinson Park School at 8 p.m. Promenaders club caller, Al Bessette, will be on hand to introduce beginners to the intricacies of square dancing.

TODAY'S AGRI-FACT

Our great-grandfathers believed that tomatoes were poisonous. They were grown in flower gardens for decorative value. Venturesome Italians and American Indians popularized tomatoes for food, encouraging the English to grill them with bacon or kidneys for breakfast. Today, tomatoes even go into pies.

I Believe . . .

by GEORGE L. REYNOLDS—Candidate for Selectman

I believe, it is now timely for me to give a resume of my opinions on the Agawam apartment situation. There will be those who will say I am hedging and those who will put their words in my mouth but I shall stand firm in my convictions.

At our town meeting in June, I did speak against two zone changes which were designed to bring more apartments to our town. I did this for two reasons... one was that I believed, until further study, we had enough apartments. The second because they were solely in the interest of out-of-town developers who seem to "hit and run" us.

At the town meeting in September, I did vote against an article which limited the number of apartments in certain zones. This is not a hedge, nor is it contradictory to my beliefs. Here

are my reasons: We have several local contractors who have the interest of the town at heart. By number they are in the minority and could be easily swept aside by anti-department criticism. We must remember these are our people; they are in a good business; they pay their taxes here; and they don't "hit and run." They are entitled to a "square deal."

To destroy their opportunity without due process is unfair. Everyone should have this right no matter what the conditions may be. We voted at a town meeting in June, as their representatives, to have the Planning Board study the apartment problem and give us the results of this study. This was not done, so just as the building inspector was fired for political expediency without due process, so too were our local contractors forced to succumb to the whims of power politics without due process.

I shall always fight, in any situation, for anyone or any program, when treatment is unfair. All of us must remember "It could happen to you." Let us resolve a program in which "one set of standards" prevail.

GIRLS' STATER TO BE GUEST

At the next regular meeting of the Unit on Monday evening, Oct. 2nd, Miss Holly Kistner, and her mother will be guests. Holly will give us a report of Girls' State activities, and her impressions of the program. We always enjoy listening to our representatives when they return. We had hoped to have on this occasion Holly Gibson, but she is away at college and can't get home for that

night. She was our Girl Stater in 1966, and this year served as a Junior Counselor which was quite an honor—and quite an experience. Understand she had a wonderful time. Sorry she can't be with us.

NOTES

Don't forget the annual Fall Conference—at the Statler Hilton in Boston—Saturday, Nov. 4th. Bus leaves G. A. R. Hall in Springfield at 6:45 a.m., and Boston for return trip at 2:30 p.m. Round trip fair is \$3.85. Who can go? It would be especially instructive and interesting for new officers.

TESTIMONIAL DINNER TO HONOR DEPARTMENT PRESIDENT

The annual Testimonial Dinner in honor of the State President, this year Yvonne E. Stewart, will be held on Sept. 30th at the Wachusett Country Club, Prospect St., West Boylston, Mass.

President Vacationing

President Virginia Catchepaugh and husband, Donald, are vacationing in Canada. We wish them fair and warm weather, and a marvelous time. We thank Vice President, Jane Whalen for taking over for her at the last meeting.

Mary Lakeman and husband, John, have returned to Texas. They enjoyed their trip HOME to Agawam, and the opportunity to see so many friends—and especially the turn out to welcome them at the Unit meeting. We hope they will come again next year.

One of the most important activities of Agawam High is the career conference program. These conferences give an insight to students about colleges, universities, careers, vocations, and professions. All students, including freshmen, are welcome to listen to the guest speakers. Next Tuesday, a representative from the Coast Guard Academy in New London, Conn. will discuss the opportunities and life at the Academy with any interested boy. This is not for enlistment, but for acceptance to the CGA. Any cadet, after graduation from the Academy, enters the Coast Guard as an officer.

Later Tuesday, the Director of Admissions from Drexel Institute of Technology will explain all aspects of this school, including the co-operative system, which means that students are given the opportunity to work their way through school. This engineering school has a high reputation. Any student wishing to attend these or any other conference must obtain a pass from the Guidance Office the day before the designated conference.

Preliminary College Board for juniors and College Boards for seniors will be held soon. Watch for announcements for these tests!!
